PROJECT BULLETIN

Bulletin No. 4

August 2000

SPECIAL NORTH AMERICAN EDITION

ASSURANCE GROUP MEETING IN GOLDEN, COLORADO

The **Assurance Group** of the **Mining, Minerals and Sustainable Development** (MMSD) Project will meet in Golden, Colorado, USA, Aug. 28-29 to discuss and assess various project documents, including the Work Plan and the proposed Operating Budget.

The Assurance Group will have the opportunity to hear directly from interested North American organisations in an Open Forum at 3.30pm–5.30pm, Aug. 28 in the Student Centre of the Colorado School of Mines in Golden, Colorado.

A draft agenda of the meeting will shortly be posted on the project web site at:
www.iied.org/mmsd

Information and Discussion Sessions

A series of Information and Discussion sessions have been planned for various North American stakeholders and other interests for Aug. 24 and 25 in Denver, Colorado.

University of Denver College of Law
1900 Olive Street, Denver

Further information on the MMSD project is posted on the project web site at:

www.iied.org/mmsd

This is the fourth in a series of periodic bulletins about developments in the Mining, Minerals and Sustainable Development (MMSD) project being conducted by the International Institute for Environment and Development (IIED).

MMSD is designed to produce a number of cooperative and publicly available outputs, including an overall Project Report to be presented at the end of 2001.
