

**Figure 3.4:** Sketch map of the Zambezi basin, showing major rivers, lakes and sub-catchments, plus the locations and types of important mining operations. Data obtained from Mendelsohn (1961), Anhaeusser & Maske (1986), SARDC (1994), Chenje (2000), SADC-MSCU (2001). Details of mining operations in Zimbabwe are shown in **Figures 3.7 to 3.14**.
