Danida

Development and Climate Days at COP-15 A Draft Agenda

Koncerthuset (The Concert House), DR Byen, 11-14 December 2009

Day One (Friday, December 11): Land, Water and Forests	
9am – 10.30am: Session 1	<p><i>High level panel session on integrating adaptation into development planning</i> (organized by Danish Ministry of Foreign Affairs: Dorte Neimann and Erik Naeraa-Nicolajsen - erinic@um.dk; dorte.neimann@gmail.com; dornei@um.dk).</p> <ul style="list-style-type: none"> - Danish Minister for Development Cooperation Ms. Ulla Tørnæs - Developing country representative - Private Sector: CEO Ditlev Engel from the Danish company Vestas - Leonardo DiCaprio - NGO representative - Professor Nicolas Stern
10.30am	Break
11am – 12.30pm: Session 2	<p><i>Arid Land Ecosystems:</i> (organized by IFAD: Atiqur Rahman - at.rahman@ifad.org)</p> <ul style="list-style-type: none"> - Ced Hesse – Coping with drought amongst pastoral communities in Niger and Tanzania (IIED perhaps with IUCN)
12.30am	Lunch
1.30pm – 3pm: Session 3	<p><i>Mountains and adaptation: living with too much or too little water:</i> (organized by ICIMOD: Mats Eriksson - meriksson@icimod.org)</p> <ul style="list-style-type: none"> - Ongoing adaptation studies in the Hindu Kush – Himalayan region (Mats Eriksson) - Two short films, followed by question and answer sessions, showing peoples responses to droughts and floods: “In the grip of drought”, characterising farmers’ responses to water stress in Nepal, and “Living with floods”, describing responses to floods in Assam, northeast India. - Both Ends and IVM presentation on water management/basin management in developing countries - A moderated panel discussion based on the films focusing on a) the policy environment in which people try to adapt, and b) asking how to build on spontaneous adaptation measures to support planned adaptation. - Suggested Panel members: Ajaya Dixit, Partha Das, A. Schild, Fawad Khan, Andreas Wilkes
3pm	Break
3.30pm – 5pm: Session 4	<p><i>REDD: how to ensure genuine development benefits materialise</i> (organised by IISD: Stefan Jungcurt - sjungcurt@iisd.ca)</p> <ul style="list-style-type: none"> - John Drexhage, director Climate Change and Energy, IISD (Facilitator)

	<ul style="list-style-type: none"> - Peter Akong Minang, Global Coordinator, Alternatives to Slash and Burn Partnership for the Tropical Forest Margins (ASB-ICRAF) - IIED representative – REDD and agriculture - Developing country experts
6pm: Adaptation reception	<p>Adaptation: Innovations, Partnerships, Solutions (Coordinated by Tom Downing and Anna Taylor – SEI)</p> <ul style="list-style-type: none"> - The Stockholm Environment Institute (SEI) and Global Climate Adaptation Partnership host an interactive panel-storm designed around short provocations from a selected panel and the audience. Followed by an informal reception!
Day Two (Saturday, December 12): Justice, Ethics and Humanitarian issues	
9am – 10.30am: Session 1	<p><i>Equity and Gender</i>: (organised by: Simon Anderson, IIED - Simon.anderson@iied.org Rebecca Pearl, Global Gender and Climate Alliance – info@gender-climate.org and Cate Owren, WEDO - cate@wedo.org)</p>
10.30am	Break
11am – 12.30pm: Session 2	<p><i>Climate Change and Migration: Transformations or Humanitarian Crises?</i> (Coordinator: Tom Downing and Mo Hamza, SEI - Tomdowning.sei@gmail.com)</p> <ul style="list-style-type: none"> - Exploring new landscapes of adaptation, questions that have only partial answers, this debate is coordinated by the Climate Change, Environment and Migration Alliance (CCEMA, to be confirmed) and the Stockholm Environment Institute (SEI). A mixture of video, short provocations and audience interventions will examine the evidence base and adaptive prospects for the future. A moderated discussion will interrogate panelists selected to represent a diversity of views and organisational backgrounds, as well as engage the audience - <i>Possible panelists</i>: Sujatha Byravan, Sudhir C Rajan
12.30am	Lunch
1.30pm – 3pm: Session 3	<p><i>Ethics and Human Rights</i>: (organized by Donald Brown, Penn State University: Dabrown57@gmail.com)</p> <ul style="list-style-type: none"> - Maxine Burkett (University of Hawaii) speaks about climate change and justice - Alyssa Johl, Many Strong Voices
3pm	Break
3.30pm – 5pm: Session 4	<p><i>Debate: Population size and movement/dynamics</i> (organised by UNFPA: Daniel Schensul - schensul@unfpa.org;))</p> <ul style="list-style-type: none"> - is tackling population growth a good way to tackle climate change? (IIED)
Day Three (Sunday, December 13): Planning Adaptation	
9am – 10.30am: Session 1	<p><i>Putting climate information at the service of vulnerable groups</i> (organised by IDRC, IRI and the Red Cross Climate Centre: Simon Carter, Evans Kituyi and Molly Hellmuth - ekituyi@idrc.or.ke; SCarter@idrc.ca; hellmuth@iri.columbia.edu).</p> <ul style="list-style-type: none"> - Developing country practitioner describes experiences of using climate information - Climate expert describes state of the art climate information - Examples from the IDRC Climate Change Adaptation in Africa programme
10.30am	Break
11am – 12.30am: Session 2	<p><i>Community Based Adaptation</i> (organized by BCAS and IIED: Atiq Rahman, Saleemul Huq and Hannah Reid - Saleemul.huq@iied.org; hannah.reid@iied.org; bcas@bdonline.com)</p> <ul style="list-style-type: none"> - ActionAid Bangladesh case study

	<ul style="list-style-type: none"> - Bertha Nherera (Pelum, Zimbabwe) – Coping with drought in rural Zimbabwe - New Trust Fund for CBA (UNDP/SGP) - Thomas Tanner (IDS) Children at the heart of community-based responses to climate change - CBA case study – South Africa (Indigo-development & change) - ‘Adaptation Learning Programme for Africa’ - CARE
12.30am	Lunch
1.30pm – 3pm: Session 3	<p><i>National adaptation planning</i> (organized by ISET: Marcus Moench moenchr@i-set.org)</p> <ul style="list-style-type: none"> - National planning approaches versus localized realities. Marcus Moench (ISET) - Integrating climate information into local contexts Liz (ISET) - Nepalese case study (ISET) - Case study on urban adaptation from the ACCCRN program (ISET) - Case study on flooding and coastal regions from India and Pakistan (ISET) - Key strategic messages on the economics of alternative strategies; ways to develop effective responses under uncertainty; and critical national and local links. Marcus Moench (ISET) - ActionAid Bangladesh case study - Education: how can education systems help us plan adaptation better (START)
3pm	Break
3.30pm – 5pm: Session 4	<p><i>High level panel focusing on emerging themes on adaptation:</i> (organised by Kelly Levin, WRI: KLevin@wri.org)</p> <ul style="list-style-type: none"> - Jennifer Morgan, WRI, showcasing the World Resources Report - UNDP representative - UNEP representative - World Bank representative - Developing country representative
	Evening Reception
Day Four (Monday, December 14): Mitigation, finance and the private sector	
9am – 10.30am: Session 1	<p><i>Nationally Appropriate Mitigation Actions (NAMAs) and sectoral approaches</i> (organised by IISD: Jo-Ellen Parry - jparry@iisd.ca)</p>
10.30am	Break
11am – 12.30pm: Session 2	<p><i>Alternative financing for adaptation</i> (organised by ActionAid and IIED: Simon Anderson and Ilana Solomon – simon.anderson@iied.org; ilana.Solomon@actionaid.org;)</p> <ul style="list-style-type: none"> - Ilana Solomon (ActionAid) - PPCR progress - LDCF evaluation (IIED) - Tejas Ewing – improving the voluntary market to help the most vulnerable (nef) - CDM microfinance (Lloyd Chingambo, Lloyds Financials Limited, Zambia)
12.30am	Lunch
1.30pm – 3pm: Session 3	<p><i>The role of the private sector in adaptation</i> (organised by Teresa Fogelberg, Global Reporting Initiative: Fogelberg@GlobalReporting.org)</p> <ul style="list-style-type: none"> - Insurance – Pablo Suarez (UNDP Environment Finance Group) - MercyCorps project on stove/timber use in DRC refugee camps which use carbon finance

	<ul style="list-style-type: none"> - Raphaelle Deau, GERES - Groupe Energies Renouvelables, Environnement et Solidarités, Cambodia. How development stakeholders can access carbon finance
3pm	Break
3.30pm – 5pm: Session 4	<i>Debate: What do we want from the Copenhagen negotiations?</i> <ul style="list-style-type: none"> - Professor Steve Schneider - Professor Martin Parry - Farhana Yamin, IDS - Andrew Simms, nef

Film festival

As in previous years, a film festival will be running in parallel to Development and Climate Days over the course of the weekend (12-13 December) and perhaps over the full four days. Short films of up to 10 minutes on climate and development will be showing. The deadline for sending your films has now passed.

Please contact Isabelle Lemaire, dcvids@googlemail.com for any further details.

Venue

Koncerthuset (The Concert House)
DR Byen
Emil Holms Kanal 20
DK-0999 Copenhagen C

Attendance and more information

Attendance is free, but by invitation only. Please contact Hannah Reid for more information or if you want to attend:
