

**FOURTH INTERNATIONAL CONFERENCE ON COMMUNITY-BASED ADAPTATION
THE BLUE PEARL HOTEL (TBC), DAR ES SALAAM, TANZANIA
21-27 FEBRUARY 2010**

Draft programme

Day one – 21st Feb	Daytime	Participants arrive
	5.00pm	Welcoming participants, briefing on field visits and dinner
Day two – 22nd Feb	Morning	All participants depart for field sites (in batches of 20-50)
	Afternoon	Arrival at field site
	Overnight	In field
Day three – 23rd Feb	Day	Field visit
	Evening	Return to Dar es Salaam
Day four – 24th Feb	9am – 10.30am	Plenary opening session with high level speakers Chair: Saleemul Huq <ul style="list-style-type: none"> • Minister Batilda Burian, Minister for Environment, Tanzania (to be confirmed) • Minister Mwandosya, Minister of Water and Irrigation, Tanzania (to be confirmed) • Mhonga Said Ruhwanya, Shadow Minister: Water and Irrigation, Tanzania (to be confirmed) • Adam Kimbisa, Mayor of Dar es Salaam (to be confirmed) • Richard Muyungi, UNFCCC focal point, Tanzania • Atiq Rahman, BCAS
	10.30am – 11am	Tea break
	11am – 12.30pm	Parallel thematic session 1: Strengthening institutions for CBA Chair: xxx <ul style="list-style-type: none"> • Governance of Community Based Adaptation – Practical Action • From NAPAs to LAPAs: Institutionalising Community-based adaptation – Nanki Kaur, IIED • Greening Darfur - scaling up work to increase resilience to drought through strengthening of civil society organisations to manage development – Practical Action • Community Institutions and Climate Change Adaptation Policy Advocacy: A Case Study of Malawi - William Chadza • Civil society organisation networking to enhance climate change adaptation - Shepard Zvigadza, ZERO, Zimbabwe
		Parallel session 2: Water Chair: xxx <ul style="list-style-type: none"> • Experiences on climate change adaptation and sustainable development in Zimbabwe - Felix Mutemachimwe, IFAD • Climate change and its potential impacts on aquaculture dependent poor people in Bangladesh- Anwara Begum, Caritas Bangladesh • Integrating community based adaptation in water projects across East Africa - Cynthia Awuor, CARE • Vulnerability and Adaptation of Lake Naivasha freshwater ecosystems - John Nyangena , WWF
	12.30pm – 1.30pm	Lunch
	1.30pm – 3.00pm	Parallel thematic session 1: Building adaptive capacity Chair: xxx

		<ul style="list-style-type: none"> • Community Adaptation - the case of LITETA (Local Initiative: Training for Enterprise, Transformation & Agriculture) in Chibombo District Zambia - Kayombo Ndonji • Mainstreaming climate change in integrated water resources management: Case study of building adaptive capacity in the Pangani River Basin, Tanzania – Onesmo Zakaria, IUCN • Promoting the adaptive capacity of pastoralists through inclusive and participatory planning approaches - Abdirahman Ahmed, Ogaden Welfare and Development Association (OWDA), Ethiopia • Building local adaptive capacity in the Pacific (tbc) – Maike Pilitati, Kiribati • Climate change adaptation: empowering local community at Ayoum in Ghana – Edward Yeboah, CSIR, Ghana
		<p>Parallel thematic session 2: Insurance and microfinance</p> <p>Chair: xxx</p> <ul style="list-style-type: none"> • A Case Study of Weather Index Insurance and Community-Based Adaptation in Ethiopia - Mengesha Gebremichael (Relief Society of Tigray) and Yohannes Gebremeskel (Dedebit Credit & Savings Institution) • Community Based Adaptation of Farmers in the Philippines to Climate Change - Maria Rebecca Campos, University of the Philippines
	3pm – 3.30pm	Tea break
	3.30pm – 5.00pm	<p>Plenary session: Policy linkages</p> <p>Chair: xxx</p> <ul style="list-style-type: none"> • Community Governance in mainstreaming Climate Change Adaptation in local development – Experience from South Asia - Ranga Pallawala, Practical Action • Adaptation Challenges to Climate Change Disasters in the Karamoja Cluster (Cattle Corridor) in Uganda – Nanteza Jamiat, Makerere University, Uganda • Increased climate uncertainty calls for robust policy environment to reduce disaster risks and make adaptation efforts sustainable in the Hindu Kush - Himalayan region - Mats Eriksson, ICIMOD • Reimaanlok: ‘Looking Forward’ - Implementing a national strategy for ecosystem-based climate change adaptation by communities on outer atolls of the Republic of Marshall Islands - James Hardcastle, TNC
	Evening	Dinner at the beach
Day five – 25th Feb	9am – 10.30am	<p>Plenary opening session: Agriculture</p> <p>Chair: Carlo Scaramella (WFP)</p> <ul style="list-style-type: none"> • Agricultural Services Support Programme and Agricultural Sector Development Programme - Livestock, Zanzibar - Seif A. Seif and Khalfan M. Saleh, IFAD • Climate change and food security in Maradi District, Niger – Moussa na Abou Mamouda, ENDA • Sharing lessons from the use of different type of organic manures: Malawi - Mahara Nyirenda, FAIR, Malawi • Changing seasonality and ways in which farmers can adapt at a community level – Steve Jennings, Oxfam • Vulnerability of rain-fed agriculture to climate change and variability - Hector John Mongi, Tumbi Agricultural Research Institute, Tanzania
	10.30am – 11am	Tea break
	11am – 12.30pm	<p>Parallel thematic session 1: Economics of CBA</p> <p>Chair: James MacGregor/Muyeye Chambwera, IIED</p> <ul style="list-style-type: none"> • Inequalities in economic benefits and environmental protection, K.A.L. Nusuhele, Mbutu Agricultural Society <p>Parallel thematic session 2: CBA in French-speaking nations</p> <p>Chair: Moussa na Abou, ENDA</p>

		<ul style="list-style-type: none"> • Programme de Promotion de revenu ruraux, Madagascar - Aimé Randriambola and Niaina Rakotondrastima, IFAD • To adapt with local resources and local capacities, Domestic Biogas Production in Mauritania – Madyoury Tandia, Tenmiya
	12.30pm – 1.30pm	Lunch
	1.30pm – 3.00pm	<p>Parallel thematic session 1: Drylands and pastoralism Chair: Ced Hesse, IIED (or TNRF replacement)</p> <ul style="list-style-type: none"> • Establishing Community Based Sustainable Rangeland Resource Management Systems As A Coping Mechanism To Tackle Climate Change In Gash Barka Zone, Eritrea - Amanuel Negasi, Mesghena Ghilay Hagos and Tsegai Araya, IFAD • Conditions for the survival of pastoralism in northern Kenya as climate changes – Practical Action • Pastoralism and Climate Change - Brian Otiende, Oxfam • Community Based Climate Change Adaptation Strategies among Pastoralists in Shinile Woreda of Somali Regional State, Ethiopia - Nur Abdi Mohammed, Pastoralist Welfare Organization (PWO) • Local Climate Change Adaptation Strategies among Pastoral Communities: the case of Awash Fentale Woreda, Afar National Regional State, Ethiopia - Wendessen Gulelat Wolde, Pastoralist forum, Ethiopia <p>Parallel thematic session 2: Urban areas Chair: David Dodman, IIED</p> <ul style="list-style-type: none"> • Community Organizing and Adaptive Preparedness: The Power of Prior Mobilization. Theresa Williamson, Catalytic Communities • Old notion-new relevance: Exploring the concept of social capital in the context of climate change adaptation in East-African coastal cities – Justus Kithia • The climate change adaptation deficit of Lusaka City in Zambia – George Kasali, EECZ • Community Based Vulnerability Assessment - Semarang and Bandar Lampung, Indonesia. ACCCRN (Asian Cities Climate Change Resilience Network) - Awanda Sentosa, ACCCRN • Reducing the vulnerability to urban poor in Indian cities to climate change through adaptation strategies, Komalirani Yenneti, CEPT University, India
	3pm – 3.30pm	Tea break
	3.30pm – 5.30pm	<p>Plenary session: Communicating good CBA Chair: xxx Communication for Sustainable Development Initiative (CSDI), FAO</p> <ul style="list-style-type: none"> • Launch of Google Earth layer on CBA - Basra Ali, SEI • Communicating Good CBA: How online tools can be effective in learning and sharing about climate change adaptation: experiences from the Oxfam and weADAPT collaboration – Anna Taylor, SEI • Making short videos on CBA – Isabelle Lemaire • Climate through Culture – British Council climate change work in Sub-Saharan Africa and how it supports the shaping of future policy – Hannah Cowin, British Council • Regional Climate Change Adaptation Knowledge Platform for Asia - Roopa Rakshit, UNEP Regional Resource Center for Asia and the Pacific
	Evening	CBA short films (optional)
Day six – 26th Feb	9am – 10.30am	<p>Plenary: Scaling up and replicating best practice Chair: Rachel Berger, Practical Action</p> <ul style="list-style-type: none"> • Community Based Adaptation (CBA) Initiatives: The Experience of Caritas Bangladesh - Anwara Begum, Caritas Bangladesh

	<ul style="list-style-type: none"> • Incorporating sustainable livelihoods, Disaster Risk Reduction and natural resource management into climate change adaptation approaches: An Oxfam GB perspective – Charlotte Sterrett, OXFAM • The Critical Success Factors for Up-Scaling Community based Adaptation Technologies in Semi-Arid Areas: Experiences from Food Security Initiatives in Zimbabwe - Practical Action Zimbabwe • Institutional Collaboration and up-scaling of Water harvesting as key adaptation measure in Tigray, Ethiopia. The experience of the Relief Society of Tigray (REST) - Teklewoini Assefa
10.30am – 11am	Tea break
11am – 12.30pm	<p>Parallel thematic session 1: Vulnerable groups: women and children Chair: xxx</p> <ul style="list-style-type: none"> • Counting on Women: Climate Change Adaptation in the Himalayas - Brigitte Leduc, ICIMOD • Child-centred adaptation and disaster risk reduction: lessons from Mozambique - Lydia Baker, Save The Children • Participation of Women in Community Based Disaster Preparedness (CBDP) Programme in West Africa - Rosemary Enie, SWEET Africa Foundation
	<p>Parallel thematic session 2: The role of ecosystems in adaptation Chair: Hannah Reid, IIED</p> <ul style="list-style-type: none"> • Ecosystem Adaptation: what it is and why it's important to integrate it with community adaptation, Kit Vaughan, WWF • Adaptive mechanisms at community level within the context of climate change and human/ wildlife interactions in the Mount Kenya environs - Liz Esiromo, IFAD • Effective Ecosystem Based Adaptation in Madagascar: Existing Challenges and Future Priorities - Tiana Ramahaleo, WWF Madagascar • Integrated Approach to Community based adaption in Nepal - Moon Shrestha, WWF • Building resilience to global climate change within the Mesoamerican Reef - Nadia Bood, WWF-Central America
12.30pm – 1.30pm	Lunch
1.30pm – 3.00pm	<p>Parallel thematic session 1: Disaster risk reduction Chair: xxx</p> <ul style="list-style-type: none"> • Building resilience to climate related shocks in the Greater Horn of Africa – Mark Gordon, WFP • Climate-Smart Disaster Risk Management', the Strengthening Climate Resilience (SCR) and Africa Climate Change Resilience Alliance (ACCRA) programme of work - Katie Harris , IDS
	<p>Parallel thematic session 2: CBA methodologies Chair: Lisa Schipper, SEI</p> <ul style="list-style-type: none"> • CEDRA (Climate change and Environmental Degradation Risk and Adaptation assessment): a new tool for climate risk assessment and adaptation - Oenone Chadburn, Tearfund • The impacts of climate change and possible adaptation activities: case study in the lower Rufiji, Tanzania - Alfei Daniel, IUCN • Assessing the sustainability of adaptation in the Hindu Kush – Himalayan region: a methodological challenge - Lisa Schipper, SEI • Participatory Forest Management Process – Case study from Northern Malawi - Jando Nkhwazi, Rural Foundation for Afforestation (RUFA), Malawi • Building an Independent Participatory Monitoring Process for Climate Adaptation and Disaster Risk Reduction - Marcus Oxley , Tearfund • Conservation based adaptation plans in vulnerable ecosystems of Andean-Amazon landscapes - Luis Germán Naranjo, WWF Colombia

	3pm – 3.30pm	Tea break
	3.30pm – 5.00pm	Plenary presentation: Funding CBA Chair: Saleemul Huq, IIED <ul style="list-style-type: none"> • Delfin Ganapin, UNDP Small Grants Programme • Making the Adaptation Fund work for the most vulnerable - Sven Harmeling, Germanwatch
	Evening	CBA short films (optional)
Day seven – 27th Feb	9am – 10.30am	Plenary session: Next steps for CBA Chair: Atiq Rahman, BCAS <ul style="list-style-type: none"> • Launch of Global Initiative on Community Based Adaptation (GICBA) - Saleemul Huq, IIED
	11am – 12.30pm	Plenary closing session with VIPs and participants Chair: Richard Muyungi
	12.30pm – 1.30pm	Lunch
	Afternoon	Participants depart

Co-Sponsors: AfricaAdapt, the British Council, CARE, Christian Aid, EPMS, FAO (Communication for Sustainable Development Initiative), GTZ, IDRC, IFAD, IIED, OXFAM, Practical Action, Rockefeller Foundation, The Development Fund (Norway), UNDP, World Food Programme, WWF
