Based
Adaptation

The Sixth International Conference on Community-Based Adaptation

“Communicating community based adaptation”

Hanoi, Viet Nam

16th to 22nd April 2012

**SIXTH INTERNATIONAL CONFERENCE ON COMMUNITY-BASED ADAPTATION
THE MELIA HOTEL, HANOI, VIETNAM
16-22nd APRIL 2012**

Programme

Day one: 15th April	Daytime	Participants arrive into Ho Chi Minh City, Danang and Hanoi
	5.00pm	For those arriving into Hanoi there will be an informal dinner. Restaurant to be confirmed.
Day two: 16th April	Morning	All participants depart for field sites
	Afternoon	Arrival at field site
	Overnight	In field
Day three: 17th April	Daytime	In field
Day four: 18th April	Day	Field visit then return to Hanoi
	7pm	Buffet dinner for participants staying at the Melia: El Patio Restaurant
Day five: 19th April	8.30am – 10.30am	Plenary session 1: Conference opening, welcome speeches and keynote presentations Room: Ballroom 1 & 2 Facilitator: Dr Saleemul Huq, IIED <ul style="list-style-type: none"> • Deputy Prime Minister Hoang Trung Hai TBC • Special Representative of UN Secretary-General for DRR and Chief of UNISDR, Margareta Wahlström • Video address from Executive Secretary of the UNFCCC, Christiana Figueres • Minister of Ministry of Natural Resource and Environment, Viet Nam, Mr Nguyen Minh Quang • Minister of Ministry of Agriculture and Rural Development, Viet Nam, Mr Cao Duc Phat • Ambassador of Denmark to Vietnam and Laos, Mr John Nielsen
	10.30am – 11am	Tea break: Ballroom foyer
	11am – 12.30pm	Plenary session 2: Communicating climate change Room: Ballroom 1 & 2 Chair: Liz Carlile (IIED) and Blane Harvey (IDS) <ul style="list-style-type: none"> • Communicating it right - Harjeet Singh (ActionAid) • CBA enabling mobile pastoralists communicate on climate risks - Awaiss Yahaya (CARE) • Developing and communicating the role of social protection and resilient livelihoods in CBA to inform policy and practice - Nidhi Mittal (Save the children) • Participatory learning - crossing the sectoral and disciplinary divide for adaptation - Bettina Koelle (Indigo Development and Change) • Communicating community-based adaptation in relation to climate change in a developing country context : the case for

		<p>Africa - Shepard Zvigadza (ZERO, Zimbabwe) and Joan Karuiki Kungu (ACTS, Kenya)</p> <ul style="list-style-type: none"> • Rising climate-related disasters and their toll on communities: community resilience to the test: examples from West Africa - Arame Tall (Senegal)
12.30pm – 1.30pm		Lunch: El Patio Restaurant (Ground Floor)
1.30pm – 3.00pm		<p>Parallel session 3: Children as drivers of change Room: Ballroom 1 Chair: Paul Mitchell (Save the Children) and Caroline Borchard (Plan International)</p> <ul style="list-style-type: none"> • Children’s vulnerability to climate change and disaster impacts in East Asia and the Pacific - Jill Lawler (UNICEF) • From participation to politics: child-centred risk communication for building community resilience - Thomas Tanner (Institute of Development Studies, UK) • Video making: resilient children and community in motion - Ratih Widayanti (Plan International) • A child-centred approach to climate smart disaster risk management - Ninh Nguyen Trong and Caroline Borchard (Plan International) • Child-centred CBA in the Horn of Africa - Johara Bellali (Save the Children)
		<p>Parallel session 4: Inland water management and coastal areas Room: Ballroom 2 Chair: Mel Phadtare (Nordic Assistance to Vietnam)</p> <ul style="list-style-type: none"> • Adaptation measures related to climate change: lessons from the Andes - Carolina De La Rosa (CARE Peru) • Community climate alliance to protect upland watersheds of Babeldaob Island, Palau - Umiich Fleming Sengebau (Babeldaob Watershed Alliance) • Multi-stakeholder cost – benefit analysis of climate change adaptation measures. case study: water demands and glacier melting in the metropolitan area of La Paz – El Alto - Javier Gonzales Iwanciw, Heidi Zalles and Yesmi Cabrera (Universidad Nur) • Emerging ways of delivering adaptation benefits to communities: lesson from coastal protected areas in Colombia - Oscar Guevara (WWF) • Improving coastal communities’ adaptation and resilience through sustainable livelihood development and natural resource management - Than Thi Hien, Tran Thi Hoa, Nguyen Thu Trang, Duong Ngoc Khanh (Centre for Marinelife Conservation and Community Development) • Climate change implications on small wetland ecosystem (ponds): challenges in communicating vulnerability of the poor communities in the coastal zone - Golam Rabbani (Bangladesh Centre for Advanced Studies)
		<p>Parallel ‘out-of-the-box’ session 5: The dragon’s den: from the climate change front lines to the newspaper front page Room: Ballroom 3 Facilitator: Mike Shanahan (IIED)</p>
3pm – 3.30pm		Tea break: Ballroom Foyer
3.30pm – 5.00pm		<p>Plenary session 6: Increasing community resilience Room: Ballroom 1 & 2 Chair: Robyn James and Annisah Sapul (TNC)</p> <ul style="list-style-type: none"> • Community-driven development and climate resilience: a stocktaking - Robin Mearns (World Bank) • Societies in transition: lessons from two-year adaptation case studies in Africa and Latin America - Ciara Kirrane and Cliona Sharkey (Trócaire) and Lars Otto Naess (Institute of Development Studies, UK) • Strengthening local adaptive capacity: lessons learned from CBA Viet Nam - Nguyen Thi Kim Anh (GEF Small Grants Programme Viet Nam)

		<ul style="list-style-type: none"> Enhancing community resilience through participatory integrated ecosystems and community vulnerability analysis and local adaptation planning - Tine Rossing (CARE International) and Sunil Regmi (Nepal Hariyo Ban) Limitations to climate change adaptation - Antonio Oviedo (WWF Brazil) Renewable energy in rural areas - Hoang Thi Thanh Mai (Norwegian Church Aid / Nordic Assistance to Vietnam)
	5.00pm – 7.30pm	<p>Training workshop on methods and tools for working with children on climate change adaptation</p> <p>Room: Ballroom 1</p> <p>Facilitator: Caroline Borchard (Plan International)</p>
	7.30pm	Conference welcome dinner for all conference participants: Thang Long Ballroom (7 th Floor) in the Melia
Day six: 20th April	8am – 9am	Breakfast: El Patio Restaurant
	9am – 10.30am	<p>Plenary session 7: Mainstreaming CBA into government policies and planning</p> <p>Room: Ballroom 1 & 2</p> <p>Chair: Nanki Kaur (IIED), Ali Tauqeer Sheikh (LEAD Pakistan / CDKN) and Margareta Wahlström (Special Representative of UN Secretary-General for DRR and Chief of UNISDR)</p> <ul style="list-style-type: none"> CBA priority activities implemented in Ben Tre, pilot province under the NTP-RCC Vietnam - Tuan Thanh (DONRE Viet Nam and NTP-RCC Ben Tre) and Erik Keus (NTP-RCC Ben tre) Scoping for institutional adaptive capacities for bridging policy and practice - Rajan Kotru and Navraj Pradhan (ICIMOD) Integrating community based disaster risk reduction and climate change adaptation into local development planning - Mathewos Hunde (Early Warning and Response Directorate, Disaster Risk Management and Food Security Sector, Ethiopia) Southern Sulawesi Indonesia: building coastal resilience to reduce climate change impact - how to engage local government in CBA planning - Leonardy Sambo (CARE) Capitalizing on and communicating the lessons learned from local CBA initiatives for upscaling and mainstreaming CBA in national strategies and policies - Sharing the experience of Morocco - Naima Oumoussa (Ministry of Environment, Morocco)
	10.30am – 11am	Tea break: Ballroom Foyer
	11am – 12.30pm	<p>Parallel session 8: Gender</p> <p>Room: Ballroom 1</p> <p>Chair: Agnes Otzelberger (CARE) and Charles Nyandiga (UNDP)</p> <ul style="list-style-type: none"> Gender and climate change - Moushumi Chaudhry (CCAFS) Making women’s voices count: integrating gender issues in disaster risk management - Mette Frost Bertelsen (World Bank) Communicating the women’s voice: gender equity and women’s participation in CBA in Melanesia - Annisah Sapul (TNC, Papua New Guinea) Livelihood strategies and gender dimensions in differentiating vulnerability to climate change impacts - Dinanath Bhandari (Practical Action, Nepal)
		<p>Parallel session 9: Ecosystem-based approaches to adaptation</p> <p>Room: Ballroom 2</p> <p>Chair: Hannah Reid (IIED) and Mozaharul Alam (UNEP)</p> <ul style="list-style-type: none"> Towards an integrated approach to ecosystem and community-based adaptation - Pascal Girot (CARE) Community forestry as an adaptation strategy – Pete Newton (University of Michigan) and Gernot Brodnig (World Bank) Lakeside livelihoods and adaptation strategies in Ba Be National Park, Vietnam - Robert Nurick (Institute of Development Studies, UK)

	<ul style="list-style-type: none"> Vulnerability of people and ecosystems to climate change in the Himalayan region of Bhutan- A case of Wangchuck Centennial Park (WCP) - Phurba Lhendup, Eric Wikramanayake, Sarah Freeman, Nikolai Sindorf, Kinley Gyeltshen, and Jessica Forrest (WWF Bhutan) A participatory landscape approach to CBA planning - Morten Fauerby Thomsen (CARE)
	<p>Parallel 'out-of-the-box' session 10: Participatory games Room: Ballroom 3 Facilitator: Pablo Suarez (Red Cross)</p>
12.30pm – 1.30pm	Lunch: El Patio Restaurant
1.30pm – 3.00pm	<p>Parallel session 11: Vulnerable and indigenous communities Room: Ballroom 1 Chair: Harjeet Singh (ActionAid) and Shree Maharjan (Asia Indigenous Peoples Pact)</p> <ul style="list-style-type: none"> Climate risks, vulnerabilities and climate change adaptation practices in selected indigenous communities in Asia – Yongyuth Surbthayat (Hmong Association, Thailand) Building resilience to climate change impacts for ethnic communities of Backan province base on their indigenous knowledge and experiences in agricultural production - Le thi Hoa Sen The use of information and communications technology for CBA in the Pacific: experience with tools that help plan and implement CBA at the local level, and communicate lessons and experiences between communities and amongst decision-makers - William Tabuabe Atu (Nature Solomons) Driving the interface through renewed climate change adaptation research: youths and indigenous knowledge systems in Malawi - Maxwell Mkondiwa (Center for Agricultural Research and Development/Bunda College of Agriculture, Malawi) Indigenous knowledge and practices in agriculture production of ethnic minorities adapted to climate change in Bac Kan province, Vietnam - Tran Van Dien (Thai Nguyen University of Agriculture and Forestry) Climate change adaptation and resilience by nomadic tribes in Iran - M Taghi Farvar, Khadija Catherine Razavi and Mahmoud Bahadori (CENESTA, Iran)
	<p>Parallel session 12: Economics of CBA Room: Ballroom 2 Chair: Rodney Witman Lunduka (IIED)</p> <ul style="list-style-type: none"> Unlocking the power of local knowledge to cost climate change adaptation: a novel framework for costing community based adaptation - Abrar Chaudhury (University of Oxford, UK) Multiple stakeholders' economic analysis in climate change adaptation: case study of Lake Chilwa Catchment in Malawi - Rodney Witman Lunduka (IIED) Economics of climate change adaptation: case study of Rupa Lake watershed in Nepal - Arjun Dhakal (ISET Nepal) Insuring community based resilience? - Margaret Arnold (World Bank) Implications of climate change for economic growth and development in Vietnam - Vu Xuan Nguyet Hong (Central Institute for Economic Management, Viet Nam) Climate resilient handloom factory: an adaptation initiative of weaver community in climate disturbed Bangladesh – A M Nasir Uddin (ActionAid Bangladesh)
	<p>Parallel 'out-of-the-box' session 13: Gender and adaptation insights through participatory digital photo storytelling Room: Ballroom 3 Facilitator: Tamara Plush (CARE International)</p>
3pm – 3.30pm	Tea break: Ballroom Foyer
3.30pm – 5.00pm	Plenary session 14: Agriculture

		<p>Room: Ballroom 1 & 2</p> <p>Chair: Selvaraju Ramasamy (FAO)</p> <ul style="list-style-type: none"> • Rural livelihood diversification and adaptation to climate change - Terry Cannon (Institute of Development Studies, UK) • Potential commune based technical options to respond to climate change in Vietnamese Agriculture - Pham Quang Ha, Nguyen Van Bo (Institute for Agricultural Environment) • Community-based rice seed production and supply: an approach for climatic change adaptation in the Northern mountainous region of Vietnam - Le Quoc Doanh and Pham Thi Sen (Northern Mountainous Agriculture and Forestry Science Institute, Viet Nam) • Strengthening adaptation to climate change in Viet Nam's agriculture and rural development sector: making IFAD's country strategy for Viet Nam climate smart - Triêu Văn Hùng (Department of Science Technology and Environment, MARD) and Roshan Cooke (IFAD) • Community based coping mechanisms and adaptations to droughts in the Borana Pastoral Area of Southern Ethiopia - Dejene Negassa Debsu
	5.00pm – 6.00pm	<p>Closed session for Vietnamese journalists and CBA experts from Vietnam</p> <p>Room: Ballroom 1</p> <p>Facilitator: My Hanh</p>
	6:00pm 6:30pm 8:45pm 9:15pm	<p>Dinner: Sen restaurant and puppet show (for participants staying at the Melia)</p> <p>Departure Melia Hotel</p> <p>Dinner at Sen restaurant</p> <p>Depart Sen restaurant</p> <p>Dinner: Puppet show</p>
Day seven: 21st April	8am – 9am	Breakfast: El Patio Restaurant
	9am – 10.30am	<p>Plenary session 15: Disaster risk reduction</p> <p>Room: Ballroom 1 & 2</p> <p>Chair: Dang Quang Minh (Disaster Management Centre) and Jennifer Sara (World Bank)</p> <ul style="list-style-type: none"> • Enhancing community adaptive capacity through innovative capacity strengthening on climate-smart disaster risk reduction - Bruce Ravesloot (CARE) • Mozambican Government action towards interventions that support CBA - Dulce Chilundo (National Centre of Operations – INGC) • Opportunities and challenges in formulating policies for community-based climate change adaptation in Vietnam - Luong Quang Huy (Ministry of Natural Resources and Environment & Standing Office of the National Target Programme to Respond to Climate Change, Viet Nam) • An assessment of the disaster preparedness of Vietnamese small and medium enterprises - Thanh Nguyen Tri (The Asia Foundation) • Community based disaster risk management in Viet Nam: some lessons learnt on communicating disaster risk reduction and climate change adaptation - Dang Quang Minh (Disaster Management Centre)
	10.30am – 11am	Tea break: Ballroom Foyer
	11am – 12.30pm	<p>Parallel session 16: Monitoring and evaluation</p> <p>Room: Ballroom 1</p> <p>Chair: SVRK Prabhakar (IGES)</p> <ul style="list-style-type: none"> • Enhancing adaptive capacity through participatory monitoring, evaluation, reflection and learning (MERL) for community-based adaptation - Jess Ayers (IIED)

		<ul style="list-style-type: none"> Adaptive resilient development: learning from CEDRA climate risk assessment pilot programme - Mike Wiggins (Tearfund) Challenges and ways forward for researching with CBA: experiences from Action Research for Community Adaptation in Bangladesh (ARCAB) - Sumana Tanchangya (Bangladesh Centre for Advanced Studies) Building the resilience of communities and ecosystems to the impacts of climate change in the Pacific: lessons from a project partnership - Robyn James (TNC)
		<p>Parallel session 17: Food security and nutrition Room: Ballroom 2 Chair: Catherine Zanev (WFP)</p> <ul style="list-style-type: none"> Impacts of climate change on fisheries: implications for food security in Sub-Saharan Africa - Essam Yassin Mohammed (IIED) Impact of rainfall variability on food security and human mobility: implications for community based adaptation and policy interventions - Selim Reza Hasan (CARE) More equal - more resilient: gender dimensions of food and nutrition security in a changing climate - Agnes Otzelberger (CARE) Farmers piloting the system of rice seed intensification (SRI) towards climate change adaptation in Backan Province - Truong Quoc Can (The Centre for Sustainable Rural Development)
		<p>Parallel 'out-of-the-box' session 18: The blog room: an interactive writeshop to reveal blogging tips and develop CBA6 blogs Room: Ballroom 3 Facilitator: Suzanne Fisher (IIED)</p>
	12.30pm – 1.30pm	Lunch
	1.30pm – 3.00pm	<p>Parallel session 19: CBA in urban areas Room: Ballroom 1 Chair: Richard Friend (ISET) and David Dodman (IIED)</p> <ul style="list-style-type: none"> Drivers of climate vulnerability in slums of Zambia - George Kasali (Copperbelt University, Zambia) Urban youth (16-25) climate change adaptation initiatives - Vu My Hanh (Challenge to Change) The role of communities in urban planning for climate adaptation: experiences from Vietnam - Nguyen Phuc Hoa (Challenge to Change), Tran Van Giai Phong and Sarah Reed (ISET Vietnam) Rooting urban climate resilience through bottom-up approach: case of ward level micro resilience planning - Shiraz Wajih (Gorakhpur Environmental Action Group, India) Adapting to rising waters: participatory investigation into community responses to urban flooding in Mathare Valley Slums, Nairobi, Kenya - Jessica Thorn (University of Oxford, UK)
		<p>Parallel session 20: Health Room: Ballroom 2 Chair: Mathew Tiedemann (Pact Vietnam) and Dao Thi Mai Hoa (COHED)</p> <ul style="list-style-type: none"> Integration of health, nutrition security and gender in climate resilient sustainable development - Cristina Tirado von-der Pahlen (Center for Public Health and Climate Change, USA) Health and natural disasters: a response plan at different authority levels in Vietnam - Pham Thi Hong (COHED) Climate change and health mitigation and adaptation in Zambia - Evans Tembo (MOH, Chainama College of Health Sciences, Zambia) Reduction of climate risk on health – the case of community-based dengue fever prevention in Vietnam - Thuan Thi Nguyen (International Federation of Red Cross Red Crescent Societies Delegation in Vietnam)

		<ul style="list-style-type: none"> Using ICTs and innovative communication programming to assist pandemic preparedness at the community level - Cecile Lantican (FHI 360, Laos)
		<p>Parallel 'out-of-the-box' session 21: Exploring limits and barriers to adaptation Room: Ballroom 3 Facilitator: Bettina Koelle (Indigo Development and Change)</p>
	3pm – 3.30pm	Tea break: Ballroom Foyer
	3.30pm – 5.00pm	<p>Plenary session 22: Participatory communication approaches for CBA Room: Ballroom 1 & 2 Chair: Richard Bossi (FHI 360)</p> <ul style="list-style-type: none"> Taking a system's approach to scaling up development impact: the case of SCALETM and its applicability in assisting community preparedness and responses to climatic shocks - Patrick Papania (FHI 360) Story-telling - the use of participatory video in communicating CBA within and between communities, and influencing policy decisions in Pacific Island countries - Kat Gawlik (Solomon Islands/New Zealand) Impact of radio, cinema and vernacular publications in enhancing community based adaptation to climate change - Charles Chikapa (Community Radio Initiative, Malawi) Communicating CBA in Manus province, PNG: scaling-up community-led action and setting the agenda in government development planning and policy - Gabriel Kulwaum (Manus Provincial Government) Climate information and communication in CBA - Maurine Kasuvu Ambani and Fiona Percy (CARE)
	5.00pm – 5.05pm	<p>Award ceremony for the best poster Facilitator: Hannah Reid (IIED)</p>
	5.05pm – 7.30pm	<p>CBA films Room: Ballroom 1 Facilitator: Dang Thu Phuong</p>
	7.30pm	Dinner: El Patio Restaurant
Day eight: 22nd April	9am – 10.30am	<p>Plenary session 23: Emerging challenges for CBA Room: Ballroom 1 & 2 Chair: Atiq Rahman (BCAS)</p> <ul style="list-style-type: none"> Adaptation and development: perspectives from Bangladesh - Syeda Sajeda Haider (Bangladesh Centre for Advanced Studies) Climate-induced community relocation: community-based adaptation strategies to protect human rights - Robin Bronen (University of Alaska) Integration of community based adaptation into development planning - David O. O. Obong, Permanent Secretary, Ministry of Water and Environment, Uganda Barriers and challenges for implementing community based adaptation activities: institutional, technological, social and organizational - Charles Nyandiga (UNDP) Social accountability in adaptation finance: emerging country-level practices - Sladjana Cosic (World Bank) Scaling up community-based adaptation - Matt Spannagle (AusAID)
	11am – 12.45pm	<p>Plenary session 24: Identifying CBA research gaps and building a CBA community of practice Room: Ballroom 1 & 2 Facilitator: Saleemul Huq (IIED)</p> <ul style="list-style-type: none"> Winner of the solidarity grant announced The Challenge Ahead of Mainstreaming Community-Based Adaptation - Sam Bickersteth (Climate & Development)

		Knowledge Network) <ul style="list-style-type: none">• Paul Desanker, Least Developed Countries Unit, UNFCCC• Vice Minister of Ministry of Natural Resource and Environment, Viet Nam, TBC• Vice Minister of Ministry of Agriculture and Rural Development, Viet Nam TBC
	12.45pm – 1.45pm	Lunch
	Afternoon	Participants depart
