

MMSD

Strategic Planning Workshop
Feedback

hosted by
iied

What were the objectives?

- **Describe *GMI and MMSD***
- **Understand *concerns***
- **Discuss the *project elements***
- **Develop ideas on the *regional processes***
- **Envision *outcomes***

Concerns...

- What is the *motivation* behind the GMI?
- How is MMSD to be *governed*?
- Success is based on securing extra *funds*

more concerns...

- What will the ethic of *partnership* mean in practice?
- Competition with *ongoing activities*?
- *Engagement* - Who? How? Why?

and more concerns...

- How will the *regions* be defined?
- *Scope* - broad focus, mining not life cycle, skewed agenda?
- What is MMSD going to *change*?

'Analysis for Change'

- **Baseline assessments**
- **Focus on a few major topics, e.g.**
 - *Wealth generation and distribution*
 - *Minority/indigenous communities*
 - *Financial drivers*
 - *End use*
 - *Technology*
- **Understand drivers & impediments to change**

Engagement

- **No presumption of *trust***
- ***Multiple routes* to stakeholders - Assurance Group, regional processes and global dialogues**
- **Outcome? *Better understanding* of stakeholder perceptions as a 1st step to building consensus and trust**

Outcomes

- **Integration of SD issues into *education***
- ***Responsible financing* mechanisms**
- ***Certification***
- ***Product differentiation***
- ***Collective crisis management***
- **Definition of *no-go zones***
- ***Small-scale miners* helped towards SD**
- **Framework for *sharing benefits***
- **Reduction in *accidents***

Communication

- **A *critical element* - for transparent and inclusive process**
- **Different *approaches* for different interests and needs**
- **Take advantage of *internet* for dialogue**

Conclusions

- **An *opportunity***
- **Broad *support* from participants**
- **Be *bold***
- **Move *fast***
